**Personal Focus**

Thank God for His plan this week – His son died to save you from death.

**QRBC Focus**

Pray for all of the young people who come into these buildings throughout the week – but especially for those attending Duke of Edinburgh expeditions this weekend. Pray that Richard will have good opportunity to share the Good News with them and they will be open to hearing more of God's love for them.

**Coventry Focus**

Pray for the local and European elections happening in our city this week. Pray that the right candidates will be elected. Pray for the candidates that they will know God's guidance and choose the 'right' path.

**International Focus**

Pray for those in Turkey affected by the mine disaster – pray that families will soon have news and that God's comfort will be felt by all.

#### SPARK IN THE PARK

Back by popular demand we are planning a ‘posh meal’ to raise money for Spark. This will be held on Saturday 21<sup>st</sup> June at Bethel Church from 7pm. Tickets will be £20 per head. If you are interested in attending please see Pam or Tim Bassett, Nikki Stewart or Heather Bennett. Menu will be available soon.

#### PENTECOST BIG BIRTHDAY BASH

Could you bake a cake for the Coventry Pentecost *Big Birthday Bash* on Saturday 7th June?

We are asking cake bakers from across the church community to produce an 8" or 12" square Victoria sponge (jam filling only!)

The 2014 Pentecost *Big Birthday Bash* in Broadgate on 7th June will feature a GIANT birthday cake made from lots of these individual cakes.

Cakes should be decorated to represent the life of your church. By joining the cakes together, we will then have a visual demonstration of unity amongst Coventry Churches.

The giant cake will then be cut by city dignitaries and given out to all.

Please could you let either myself or Gavin Kibble know if your church is able to provide cakes so we can let you know where and when cakes will need to be delivered and also so we have an idea as to how many cakes we can expect. Thank you & blessings.
