Personal Focus

Coventry Focus

I am often reminded that Church/God/Jesus is not just for Sunday - spend some time this week praying that you will bear fruit throughout your whole week.

Pray for Christians in secular roles throughout the city. Pray that they will have opportunities to share Jesus and meet the spiritual needs of this city. The city is in darkness and the churches and individual Christian's spread light - pray that the city is lit up.

QRBC

International

Thank God for all the prayer that takes place within this church, either at organised times (such as the new Wednesday prayer space) or in our own lives - continue this prayer at all times and pray particularly for the leadership at this time.

Pray for the massive problem of people trafficking which is becoming more and more common across the world, and often into this country too. We feel helpless against such a massive problem but God isn't, ask him to direct your prayers and action in this field this week.

THANK YOU FROM L.A.C.E.S

A huge Thank you from all of L.A.C.E.S. for the generous and timely gift from the Thanksgiving Offering at Queen's Road Baptist Church. Our work bringing physical, emotional and spiritual empowerment to girls and boys in Liberia continues and is expanding in response to the needs post Ebola. Your kindness will help us reach new communities and the mentoring we do using the teachings of Jesus to bring daily life transformation can grow. The needs have increased as Ebola has crippled some communities - the children respond to the way we teach and mentor through sport and we are grateful for your help to bring His saving message of love and grace.
Thank you - Thank you - Thank you - from the staff, children and coaches of L.A.C.E.S.
